YOUR DONATION **CHANGES LIVES**

Your donation is an important part of helping children feel: "I am valuable, unique and loved,"

It enables us to equip and train our volunteers at home and in the receiving countries, to ensure high-guality gifts and transport, and to ultimately share God's message of hope to children. This results in costs of around 10 euros per child receiving a gift. Every gift is valuable!

An adventure begins: The Greatest Journey

After the shoebox distribution. children can voluntarily participate in the follow-up program "The Greatest Journey". During twelve lessons, they learn more about central aspects of the Christian faith, come into contact with

other children and can get to know Jesus. who wants to be their friend for life.
